Dear Serena Haywood

GDPR/Data Protection Act 2018

Data protection fee - we will collect your direct debit on or before 09/02/2026

Organisations that process personal data are subject to the General Data Protection Regulation (GDPR) and the Data Protection Act 2018. Under the Data Protection (Charges and Information) Regulations 2018 (as amended) (the Regulations) they must also pay an annual data protection fee, unless they are exempt.

Your payment and registration as a data controller under the Regulations will expire on 09/02/2026. You must now either:

- take the tier assessment to confirm the fee you need to pay (see ico.org.uk/fee-self-assessment), or
- cancel your registration if your circumstances have changed, telling us why you no longer need to be registered.

Changes to the fee

The data protection fee has recently increased for all organisations. Read more about the change to the fee here: ico.org.uk/fee-change.

Based on your last assessment you are now required to pay **£52.00**.

As you have a direct debit in place, we'll renew your registration automatically. **You will receive an annual £5 reduction each time you pay by direct debit.** We intend to collect your data protection fee on or around 09/02/2026.
